Probably one of the most relaxing holidays
we've ever had! We came here following
my husband having a heart attack and a
couple of weeks before me taking early
retirement, what a lovely end to nearly
15 years with the NHS.

Thanks to the Benedict family for a
home from home in a beautiful part
of the country. Fully recharged
& ready for the next chapter.

Thankyou to the London Ambulance Service Benevolent

fund for a lovely holiday and much needed break

The children enjoyed walking to the beach and the pool, and I enjoyed the SPA facilities.

We visited Beamish Motor museum which was a

lovely day out, and we caught the ferry to

Hurst castle which was much bigger than we thought!

The cabin was lovely and well equipped and the

staff were friendly and helpful.

Thankyou!
